### Summary of reasons for decision:

This computer image file is a sexually explicit computer generated image that depicts a woman engaged in sexual activity with an animal. It promotes and supports bestiality in terms of s3(2)(e) of the Films, Videos, and Publications Classification Act 1993 (FVPC Act), and is therefore deemed to be objectionable. While the classification interferes with the right to freedom of expression contained in the New Zealand Bill of Rights Act 1990, it is consistent with Parliament's intention that publications falling under s3(2)(e) of the FVPC Act are deemed objectionable.
